

## VENUE GUIDELINES FOR GUESTS

*Your safety and security are most important to us. The following are the venue's guidelines. Thank you for your cooperation and have fun.*

### ARRIVE EARLY

While we will do everything possible to keep entry smooth and efficient, we strongly encourage guests to arrive **early**, prior to the scheduled event start time, to allow ample time for security screening and entry.

---

### SECURITY INSPECTION

All guests are subject to inspection upon entry. This includes the use of **metal detectors** and **bag checks**. Please be aware that bringing a bag may slow down your entry process.

---

### TRAVEL LIGHT

Bring only allowed items necessary for your comfort and enjoyment of the event. Fewer items help speed up the entry process.

---

### TAKE NOTICE

Upon entering the venue, take a moment to familiarize yourself with the venue layout, especially the **nearest exits** in case of emergency.

---

### SEE SOMETHING, SAY SOMETHING

If you notice suspicious behavior or something that seems out of place, report it immediately to **venue security**.

---
